CLAY & FINISHES

Raw Bisque Finishes (RB*)

Available in four finishes:

Milky White, Off-White (Bone/ Ivory), Natural and Terracotta

These finishes represent the true nature of Earth in the purest form.

Bisqued to cone 04, following rigorous and perfect hand sanding to a smooth finish, the lamp surfaces bring about the true feel of non-glossy cast that is associated with the purest and oldest form of pottery.

Choose these to bring a touch of rustic nostalgia to your overall design, or just an element to break the monotony of a modern interior.

*RB is used across the catalog to denote product availability in RAW BISQUE FINISH

Painted Cold Finishes (PC*)

Available in fifteen trendiest colors:

Black, Grey, White, Dark Night, Smokey Blue, Ink Blue, Dark Green, Rosemary, Mint, Coconut Husk, Latte, Ivory, Chocolate, Cinnamon and Peach

Meticulously hand-sprayed on the raw clay, with water-based paints and later finished to a silky matte gloss on the outer surface of the lamp; these finishes give you an opportunity to match the color scheme of interiors and keep the warm and earthly touch of natural clay.

Bring home the perfect synergy of vibrance and natural tones to accentuate your interiors like never before.

*PC is used across the catalog to denote product availability in PAINTED COLD FINISH

TABLE LAMPS

Small in scale, expressive in character. Our Table Lamps explore clay as a sculptural medium, shaped into forms that feel playful, architectural, organic, or unexpected. Each lamp is designed to be noticed even before it is switched on. Once illuminated, the ceramic base and softly glowing shade come together as a warm object of light — equally at home beside a bed, on a console, a side table, or within a quiet reading space
