

Lighting, like no other!

PENDENTS

Reinventing what's possible in clay, Naaya Studio's ceramic lighting innovation brings you timeless elegance through its pendant lights collection. Meticulously crafted collection of over 200 designs, from contemporary infusions to vintage-inspired classics, these pieces harmonize style and functionality. Available in rich color palette of over 20 shades, and sizes ranging from 6 inches to over 20 inches, you are sure to find your fit and style of eco-friendly lighting in your project.

A cluster of modern, geometric pendant lights hangs from a ceiling in a contemporary living room. The lights are made of a light-colored material with a complex, faceted design that allows light to pass through, creating a warm, golden glow. They are suspended by thin black cords. In the background, a brown leather sofa is visible, along with a large window and a staircase. The overall atmosphere is modern and sophisticated.

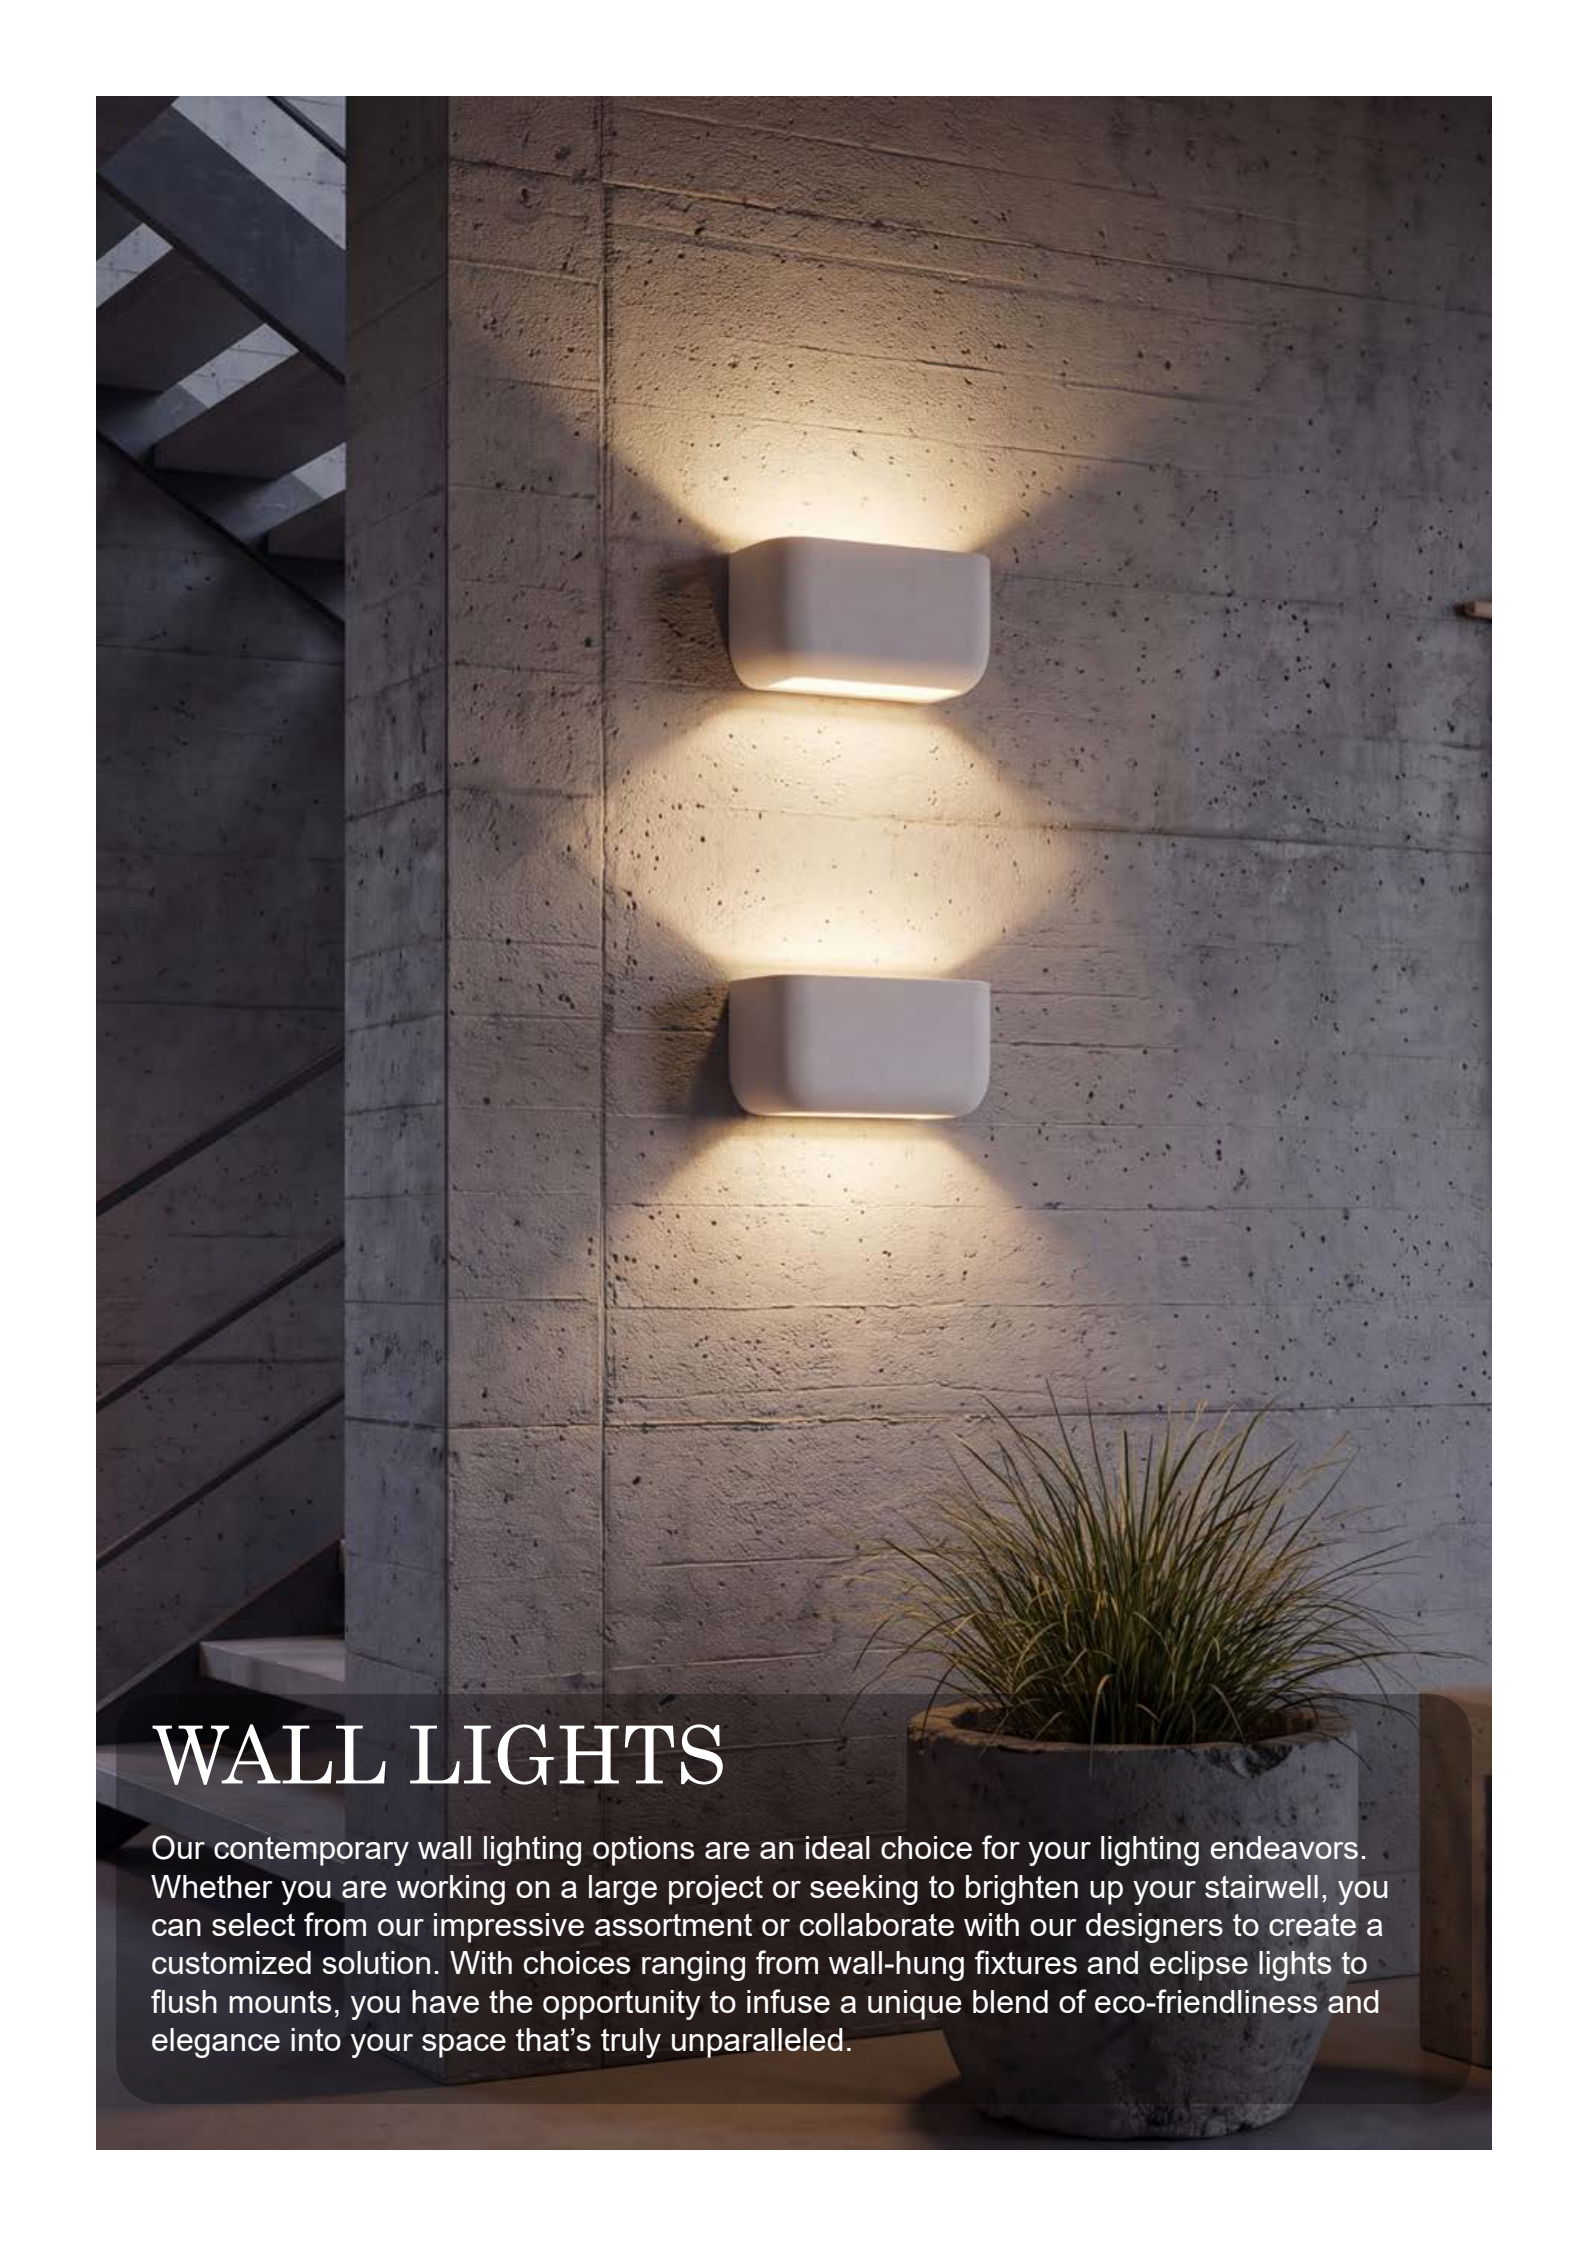

CLUSTER / CHANDELIER

Experience the epitome of luxury and refinement with Naaya Studio's exquisite chandelier lights collection. With a wide array of captivating designs, our pendant clusters seamlessly blend opulence and functionality. Over 100 stunning options from contemporary creations that define modern elegance to timeless classics that exude sophistication. Embraced by HORECA establishments and commercial spaces, our chandeliers are redefining the concept of sustainable illumination.

CEILING LIGHTS

A brilliant synergy of sleek design and unobtrusive illumination. Our flush mount light collection presents the ideal solution for your low-ceiling lighting needs. With a vast selection of over 1000 SKUs at your disposal, you'll never run short of options. Whether you're seeking to illuminate spaces like your children's room, hallways, basement, wine cellar, laundry area, walk-in closet, or even an attic, our collection has you covered. These contemporary minimalist fixtures also feature innovative custom-made mechanisms for

WALL LIGHTS

Our contemporary wall lighting options are an ideal choice for your lighting endeavors. Whether you are working on a large project or seeking to brighten up your stairwell, you can select from our impressive assortment or collaborate with our designers to create a customized solution. With choices ranging from wall-hung fixtures and eclipse lights to flush mounts, you have the opportunity to infuse a unique blend of eco-friendliness and elegance into your space that's truly unparalleled.

FLOOR LAMPS

Naaya 'Flooral' series of free standing floor lamps are a stunning embodiment of artistic illumination and design innovation. These unique floor lamps are a seamless combination of form and function. Multi-tier designs that not only allow height adjustability but also freedom to add light modules in the future. Crafted with precision in wood, metal and ceramic, these pieces are a perfect fusion of sustainable design and functional elegance

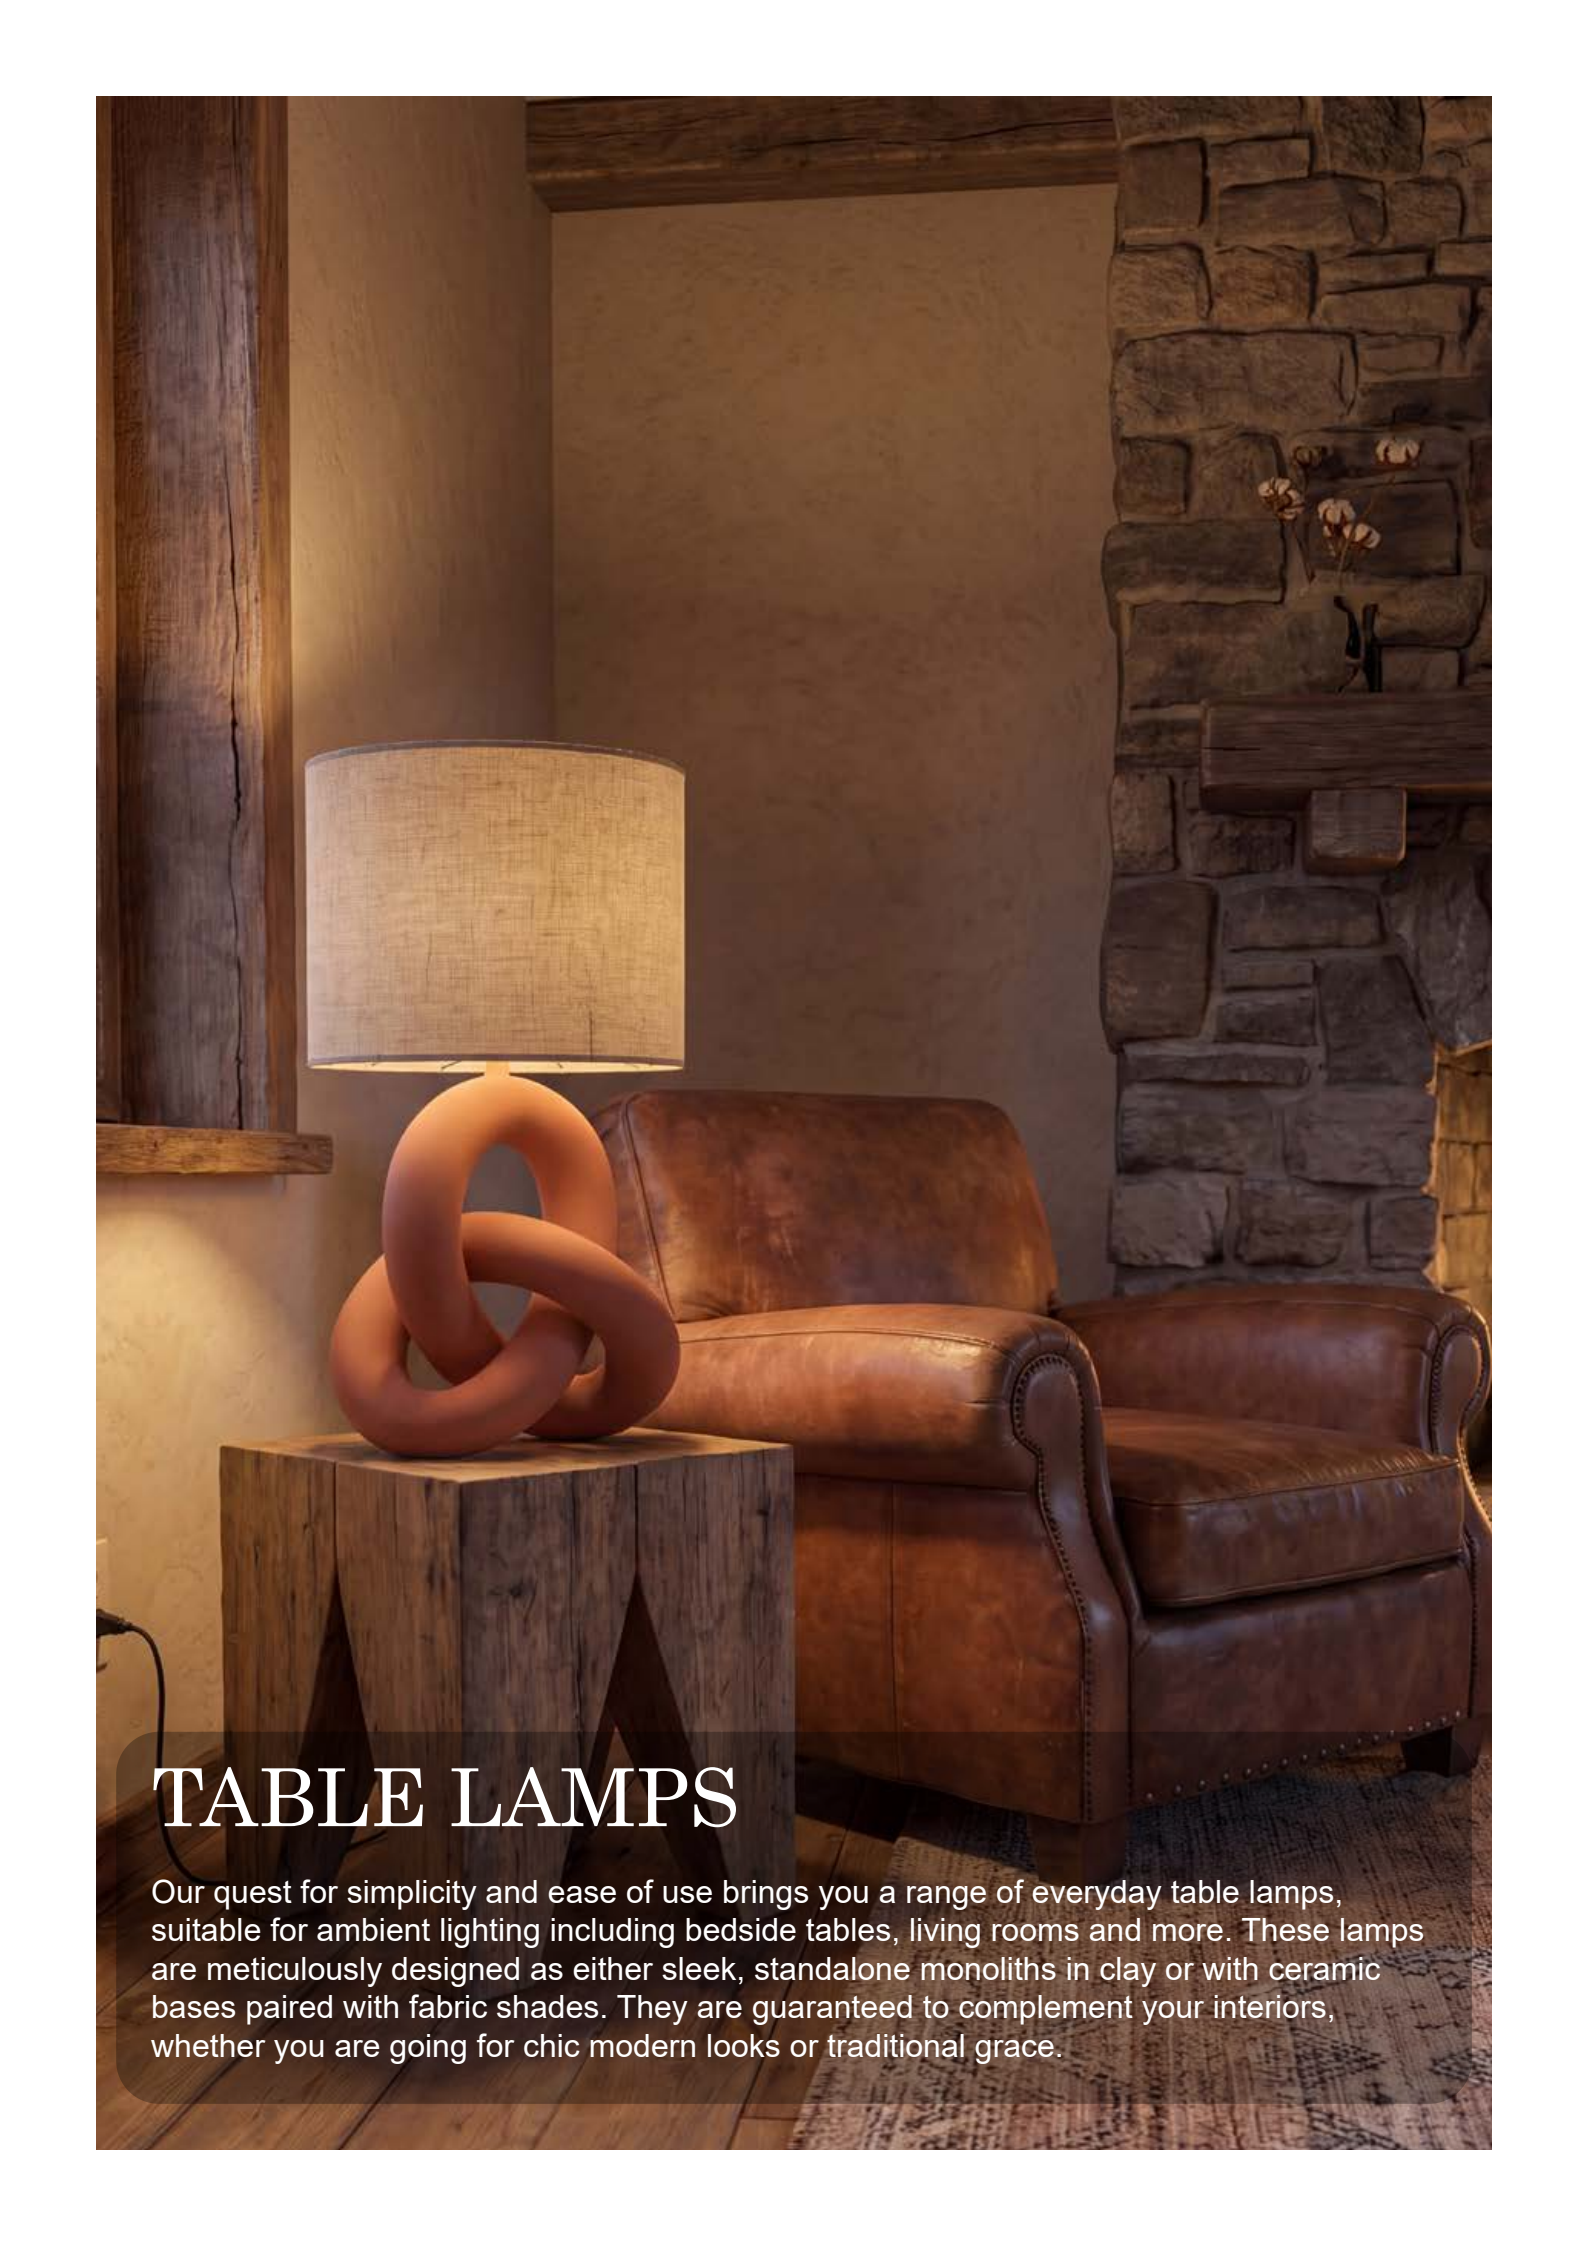

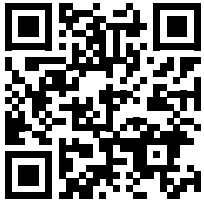

A warm, rustic interior scene. In the foreground, a table lamp with a thick, orange-brown ceramic knot-shaped base sits on a rustic wooden stump table. The lamp has a simple, cylindrical fabric shade. Behind it is a plush, brown leather armchair. To the right, a stone fireplace with a wooden mantel is visible. The background wall is a mix of textured plaster and stone. The lighting is soft and warm, creating a cozy atmosphere.

TABLE LAMPS

Our quest for simplicity and ease of use brings you a range of everyday table lamps, suitable for ambient lighting including bedside tables, living rooms and more. These lamps are meticulously designed as either sleek, standalone monoliths in clay or with ceramic bases paired with fabric shades. They are guaranteed to complement your interiors, whether you are going for chic modern looks or traditional grace.
